Notes to editors -**Legal & General in Housing**

A natural evolution and fit for its multi-tenure housing investment strategy, Legal & General has been involved in supply side housing activities for nearly 20 years. These include:

- Bringing housing back to the centre of the UK's cities through large scale regeneration, such as Salford, Plymouth, Liverpool, Bracknell, Newcastle and Canning Town
- Ownership of house builder CALA Homes, which is on track to deliver an annual capacity of 2,500 units and revenue of around £1bn in 2020, and believes it has the capability to build in excess of 3,000 units per annum thereafter. CALA has seen revenues grow from £241m in 2013 to £748m in 2017.
- Legal & General's total investment capability for the Build to Rent (BTR) sector currently stands at circa £1.5bn. It has secured around 2,000 homes under construction or in planning, with sites in Bristol, Edinburgh, Salford, Bath, Brighton, Leeds and Walthamstow, with the aim to have 6,000 in planning, development or operation by the end of 2019
- Delivering its first three new housing communities, Legal & General's housebuilding arm, Legal & General Homes, is bringing forward a housing pipeline of over 3,000 new homes. These include a 78-acre site in Shrivenham, Oxfordshire with outline planning for 515 new homes, building 1,000 new homes on its 250 acre site in Crowthorne, Berkshire, called Buckler's Park, and 1,500 new homes at its 272 acre site in Finchampstead, also in Berkshire
- Revolutionising the construction industry through its modular housing factory in Leeds, it will deliver highly-sustainable precision-engineered homes. The homes are built using modern manufacturing

techniques, in a precision engineering manufacturing environment, on a moving assembly line, which will be constructed and fitted out in the factory before delivery to site

- Providing later living accommodation through Inspired Villages Group, a best in class operator and developer of later living accommodation, established by Legal and General in 2017. Inspired Villages Group's development portfolio currently has around 1,000 homes
- Launching Legal & General Affordable Homes, a new wholly-owned affordable housing provider which it is establishing through a leading development and management platform

It is also a significant investor in student accommodation, having invested £1.5bn to date in this sector. This holistic approach provides Legal & General with the mechanisms to deliver high quality returns throughout market cycles by pivoting investment to where the need is greatest. A further example would be Legal & General's £40million investment in Thames Valley Housing Association which focused on providing high quality key worker accommodation for Imperial College NHS Trust and St George's Healthcare NHS Trust.
